Keg Moover™

THE PERFECT SOLUTION FOR
HANDLING ANY SIZE KEGS
WHILE HAVING THE ULTIMATE
IN MERCHANDISING

Keg merchandise needs to be stored neatly, but also needs to have the ultimate in visual impact to maximize sales opportunities, while making it easy for the shopper or store associate to retrieve the keg.

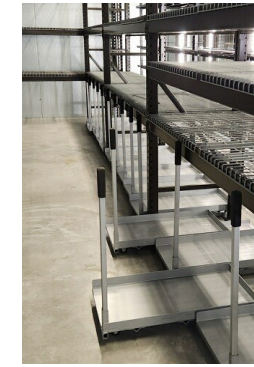

Maximize organization of keg merchandise

Designed to ensure the ultimate in organized keg merchandising. Carts have floor guides to ensure that each cart is easily returned to its original position, and cannot be removed from the beer cave.

Enhance the shopping experience

Four easy Keg Moover™ wheels on each cart with a 40" tall handle making it very simple for any customer to pull out and view the tops of all kegs stored on the Moover.

Make it easy for your customers to retrieve kegs in the ultimate keg storage merchandiser.
